The only limit is your sense of adventure

YOU'RE A HIGHLY MOTIVATED EXPERIENCE-SEEKER with a passion for cross-cultural connections and a lifestyle that knows no borders. You're going places – and you're looking for a career that will go there with you.

The Bachelor of Arts in Global Tourism Management is a two-year undergraduate completion program that will help you develop the knowledge and skills to thrive in international tourism. You'll study alongside a small and culturally diverse cohort of likeminded students at our Victoria campus, with plenty of opportunities to expand your horizons and experience the global tourism industry firsthand.

Explore some of Vancouver Island's most popular destinations during a one-week field study and develop core skills such as entrepreneurship, leadership and tourism management. Gain hands-on international experience during a compulsory three-month internship anywhere in the world and – if you're up for it – you can even spend a transformative semester abroad at one of our partner universities in Asia, Europe or South America.
