Put your career on the map – you choose where

MULTICULTURAL EXPERIENCES, bold new adventures and an exciting new career in international tourism are calling. Will you be ready to answer?

The Bachelor of Arts in International Hotel Management (BAIHM) is a two-year undergraduate completion program that's your passport to the fast-paced, highly rewarding world of international hospitality.

From September to April, you'll study alongside a small but diverse cohort of fellow innovators and adventure-seekers at our Victoria campus, learning from an award-winning faculty of academics and tourism industry executives. Like you, however, this program won't be constrained to a classroom.

You'll make valuable connections and develop a deep, cross-cultural skillset during a compulsory hands-on internship anywhere you choose. Field trips to renowned resorts and hotel properties in our own backyard will reveal key insights into the modern tourism industry, and you'll even have an opportunity to study abroad at one of our partner universities in Korea, India, Austria, Germany or Chile.

A wealth of transformative experiences awaits – both within the classroom and across the globe. To find out more about the BAIHM program, email learn.more@royalroads.ca or call 1.877.778.6227.
